

Bereavement Information Hub Volunteers Wanted

This is an exciting opportunity for a volunteer to broaden their skills by facilitating a Bereavement Information Hub.

What is a Bereavement Information Hub?

Our Bereavement Information Hubs offer a safe and supportive environment to meet others who have been affected by bereavement, to share experiences, access information and be sign posted to other services.

Are you friendly, approachable and compassionate?

If so, we need you! Volunteer for 2–6 hours per month to suit your availability.

For more information about how to become a volunteer please contact us on 0300 323 0250, email compassionatecommunities@comptoncare.org.uk or visit comptoncare.org.uk.
